

How Often do you use US93 within the Ninepipe / Ronan Study Area?

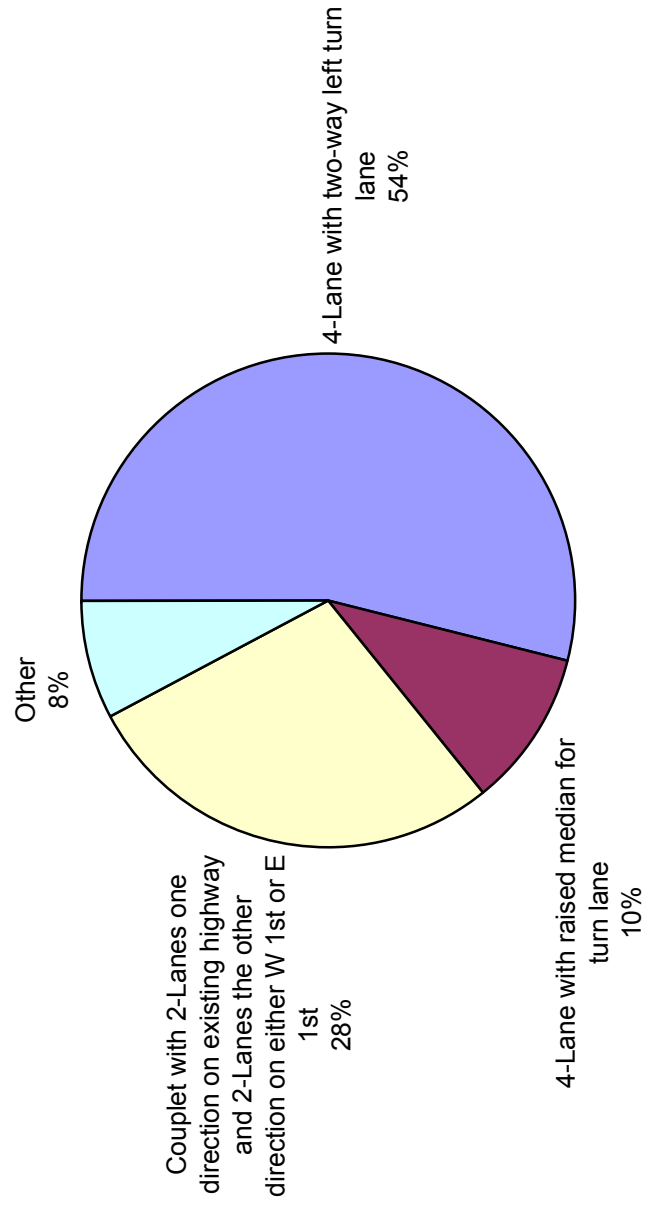

In your opinion, should a US93 bypass of Ronan be an option studied in detail?

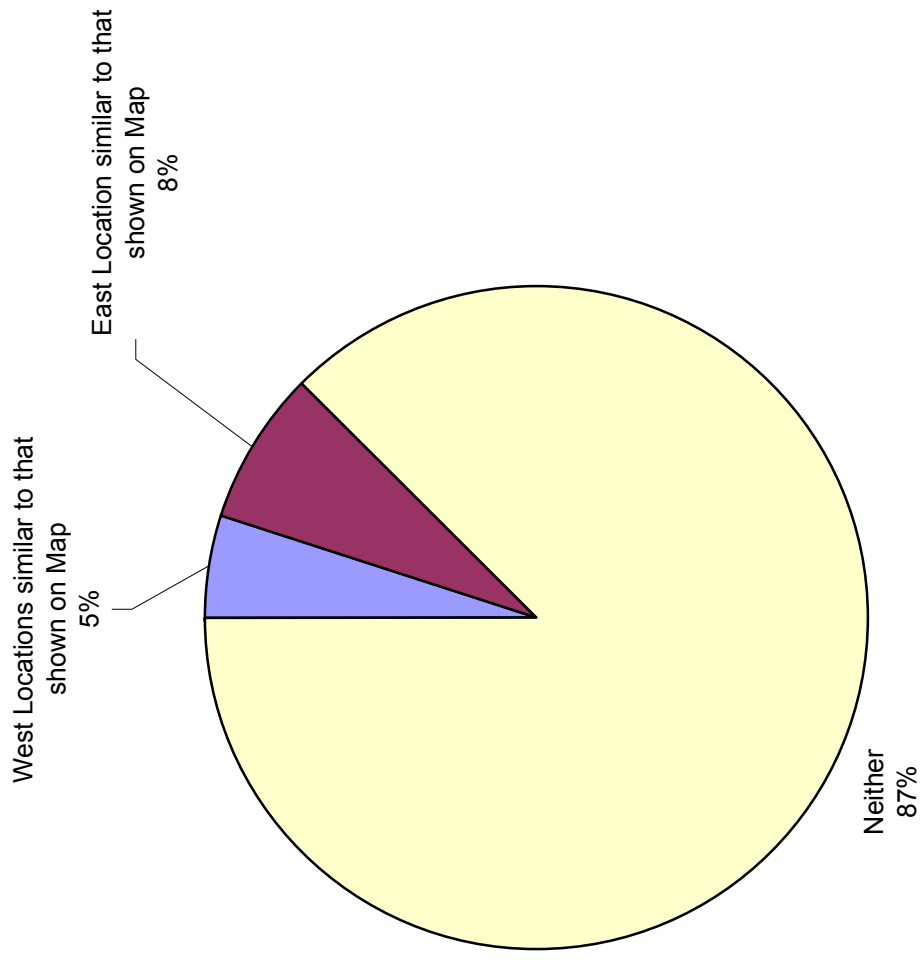

Survey Results As of 1/07/2001: 43 Respondents

If the existing US93 corridor through Ronan was improved, what improvement would be most useful to you?

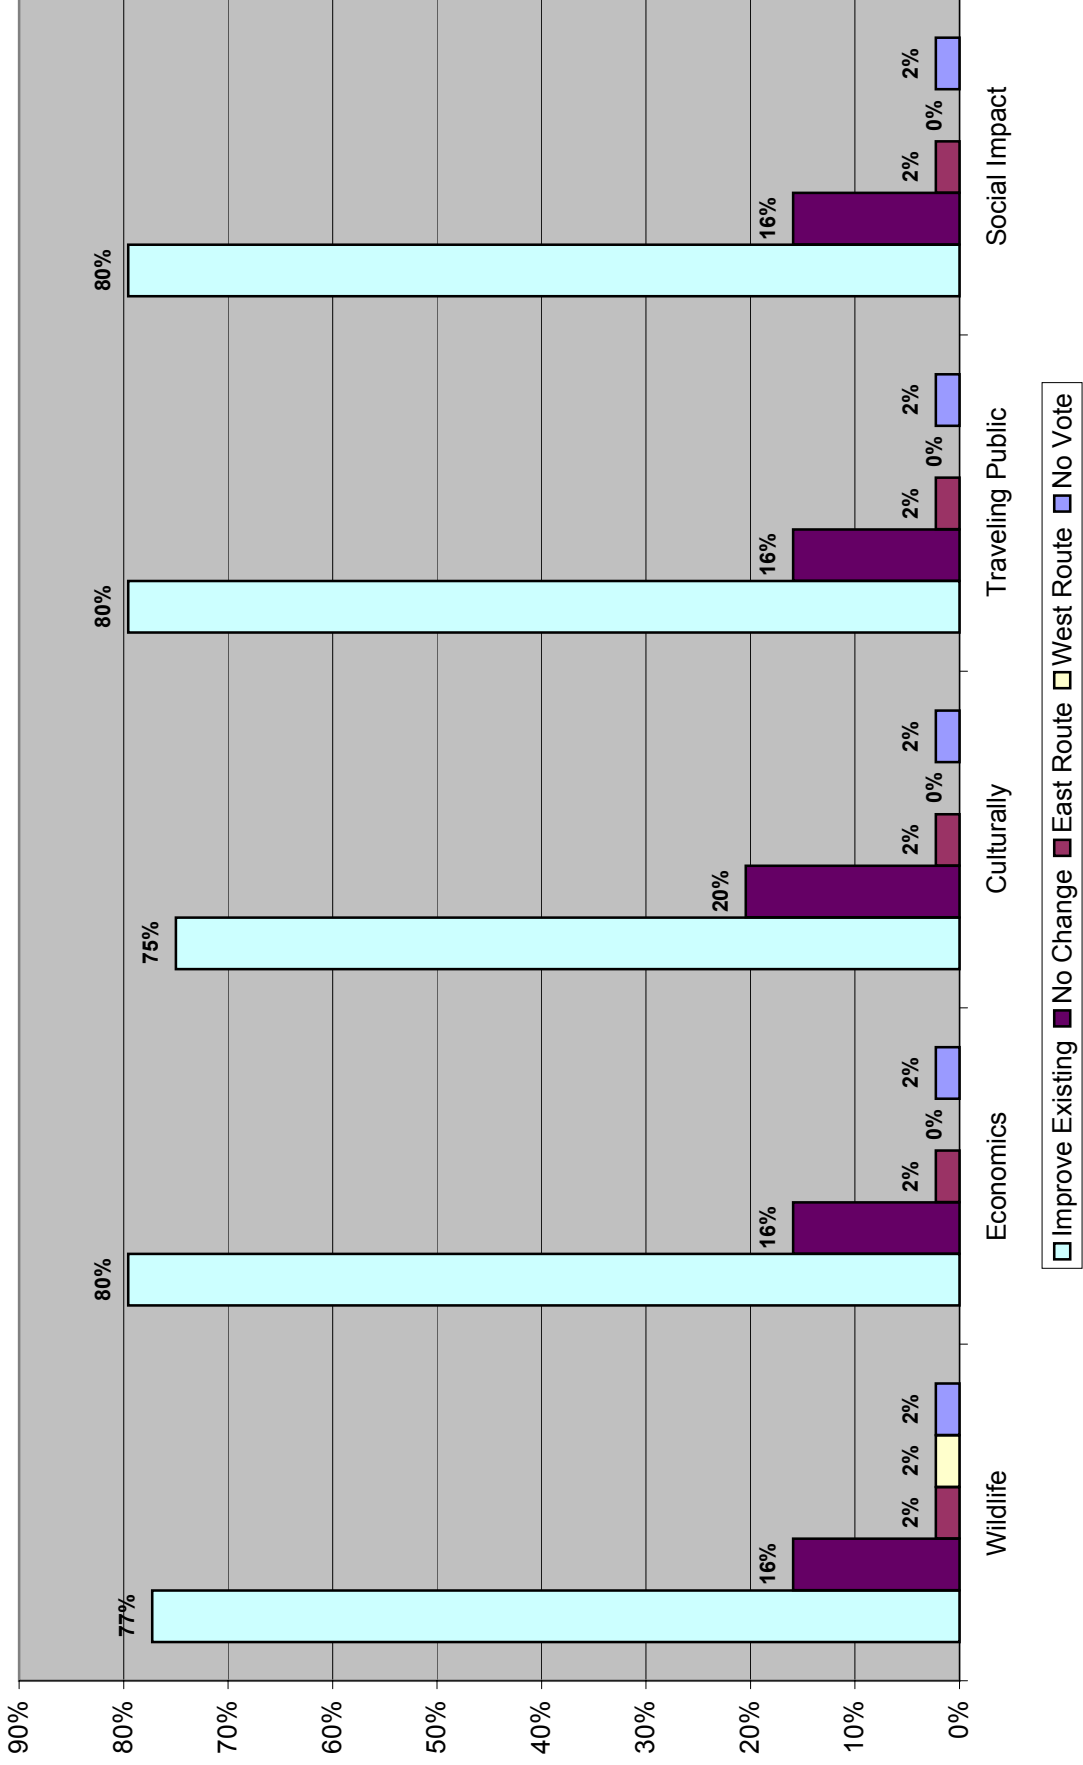

**If the existing US93 highway was removed from the location between the Ninepipe / Kicking Horse Reservoirs - which location do you prefer?**

Survey Results As of 11/07/2001: 43 Respondents

### Which route do you believe would provide the greatest benefit to the valley for each factor?

Survey Results As of 11/07/2001: 43 Respondents

### Which route do you believe would harm the valley most for each factor?
